

Giving back is Pür & Simple

MONTREAL, QC, November 22, 2018 – As the Holiday season fast approaches, Pür & Simple acknowledges the importance of giving back to the communities that have so lovingly welcomed them. Together with their Franchise Partners, [Pür & Simple](#) wants to make a difference and is determined to help spread love and joy by supporting those in need!

Pür & Simple **Moncton** has partnered with [Harvest House Atlantic](#), a nonprofit organization that provides emergency shelter, step-up housing and addiction recovery programs. Until December 31st, patrons can drop off non-perishable goods, hygiene products and warm winter accessories at Pür & Simple, located at 1909 Mountain Road, where they will be distributed to families who can benefit from a little extra help this winter. Pür & Simple is proud to support this reputable organization!

Pür & Simple **Vimont, Laval**, located at 2147 Boulevard des Laurentides, has also begun their charity campaign. Any guest who donates non-perishable goods in their restaurant will receive 10% off their meal until December 17th. All items collected will be donated to [Centre de Bénévolat et Moisson Laval](#) for their Holiday basket program. That's what we call eating for a great cause!

Pür & Simple is grateful for the opportunity to connect with our local communities and genuinely believes in helping communities grow by sharing time, resources and energy to make a difference in the lives of many.

Wishing everyone safe and happy holidays!
