**JOIN US
FOR BREAKFAST!**

On **Tuesday, September 1st, 2020**, our 13th Canadian restaurant and 2nd location in the province of British Columbia will be officially open to serve our guests! This opening will be our very first in the city of Vancouver, with the other BC location being in Kelowna. Our new craveable all day breakfast, brunch and lunch spot is located at **299 East 10th Avenue**, in the Mount Pleasant area.

The Pür & Simple family is growing and we are so grateful for the opportunity to expand in Vancouver. Thanks to the dedication of our local Mount Pleasant team, we are able to open our doors safely and efficiently. Our franchise partner, Jordan Kandola, an inspiring young entrepreneur, has been motivated every step of the way, even during these challenging times. “They say breakfast is the most important meal of the day; well it is certainly my favourite meal of the day! While on a trip to Ontario, I came across a sign for Pür & Simple, I started looking into the company and decided to visit their Burlington location. I instantly fell in love with the look and the warm atmosphere. It was from there I knew this was the brand that I wanted to work with. I felt like Vancouver was lacking a breakfast concept that blends luxury and affordability, and it was at this point that an idea to bring the concept to Vancouver turned into a reality. This is a brand I truly believe in and I know together with the support of our guests and local community we will thrive.” - Jordan Kandola

Being a fresh new breakfast place in the lower mainland, we’re confident that our innovative menu and friendly staff will resonate well with the community of Mount Pleasant.

Pür & Simple will be open from Monday to Sunday, 7 am to 3 pm. We have implemented social distancing measures, use of PPE, advanced sanitation protocols, as well as advanced training to ensure the security of our guests and team members. We are ready, absolutely thrilled and so very grateful to serve all guests visiting us for breakfast. Stop by and say hi!
